

Early Years

FUNS for everyone

Enabling essential physical skills

“The best course I've been on in 15 years of teaching! Finally a course which will make a direct impact on the learning of all the children.”

Lori, Foundation Stage Teacher

Fantastic philosophy for teaching, learning, supporting and challenging – superb progression of skills.

Helen, Foundation Stage Teacher

Course Overview

It is essential to provide an environment where Foundation Stage children can develop the Fundamental Movement Skills (FMS) they need to move confidently and maximise their physical potential. This fun packed practical course offers Early Years practitioners a mix of creative songs, stories and physical challenges that introduce and reinforce the FMS that children need to learn to flourish physically.

For further details including full course outcomes go to www.createdevelopment.co.uk

Supporting Resources

Delegates on the course receive the Early Years FUNS resource which includes a set of progressive physical activity cards and games, songs and stories to deliver the activities through.
