

Inclusion

conferences & courses

“This is the best course I have ever attended. It will change the face of PE with everyone having a chance to be physically literate.”

Create Development's philosophy is that everybody has the right to be **included** and **challenged** within PE and Sport and our programmes and resources are developed with this at their heart. We are aware however that there is a need to provide more specific support around inclusion and, with this in mind, we have developed the following opportunities.

It was amazing and brilliant to have a course that completely included SEN and where I could take back what I had learnt and not have to completely adapt everything.

Inclusion Conferences

Practical conferences aimed at teachers, support staff and coaches working in mainstream and segregated school environments which explore and upskill delegates in the following aspects of sport and PE for young disabled people:

- **Physical literacy** – providing the building blocks to maximise potential and independence
- **Ensuring the challenge** - accelerating learning through creative ways to assess young disabled people
- **Bridging the gap** into clubs and competitions.

Inclusion Courses

Practical tailored courses aimed at teachers, support staff and coaches working in mainstream and segregated school environments including:

'FUNS for everyone' – Physical literacy for all (Inclusion Tier 1)

This fun and practical course is a specialised version of 'FUNS for everyone'. It covers the progressive 'FUNS for everyone' activities while focusing on those pupils with higher levels of impairment and challenges.

● Supporting Resources

Delegates on the course receive a full set of 'FUNS for everyone' resources, including Teacher's Folder, Interactive Inclusive DVD and Student Cards.

Creating positive opportunities for young disabled people (Inclusion Tier 2)

This practical course explores inclusive strategies and ideas to effectively include young disabled people in a range of sports and activities. It focuses on the 'Raising the Bar' resource and practically explores delivery of PE with a creative, cognitive, personal and social focus.

● Supporting Resources

Delegates on the course receive a resource file containing 33 double-sided A3 cards built around 3 parallel schemes of work. 'Raising the Bar' provides a library of ideas for warm-ups, pairs/group multi-skills activities and non-traditional games to challenge and develop all pupils.

We are running conferences and courses in your area. To find out more and book your place go to

www.createdevelopment.co.uk or call: 020 8863 0304

Course/Conference price - £145 (+vat) per delegate
