“Inspirational, creative, life-changing and the way forward in educating children in all areas, not just PE.”

Sophie, Primary Teacher

FUNS and Raising the Bar have given us, as teachers, the opportunity to focus on the individual development and needs of our children who now have the capability to assess their own strengths and weaknesses and can focus on what they need to develop.

Danny, PE Coordinator at Monega Primary 

## Course Overview

It is increasingly recognised that high quality teaching and learning in PE focuses on the development of the whole child. This course explores what this looks like in practice and supports the teacher in developing a more holistic and effective approach to teaching PE. It shows how PE and Sport, if delivered effectively, is a fantastic vehicle to develop not just physical abilities but also the personal, social, cognitive and creative abilities of learners.
