

Regional conferences 2011/12 for Existing & Aspiring PE Subject Leaders

'Including and Excelling' Redefining what's possible

The modern challenge facing all PE departments is to extend our most able, strive for a culture of competition and high performance yet somehow to engage and include all young people. Is there a way to maximise performance and increase long-term participation for everyone?

This conference will share best practice from around the country to challenge the 'either/or' myth and together we will explore how a win-win outcome for all young people is possible.

Day 1 (Evening) 6.00pm - 10.00pm

- **Keynote 1 - Is teaching PE an Art or a Science?** - The root of the problem.
- **Keynote 2 - Aligning** what you **believe** in with what you **say** and what you **do**. Challenging the 'either/or' Myth
- **Review and Response Tables.**
Evening meal and Networking tables. After-dinner address. Guest speaker.

Day 2 8.45am - 3.30pm

- **Keynote 3 - Learning Nutrition.** Can PE become the most important subject in the Curriculum?
- **Workshop 1 - Learners Leading Learning.** Accelerating learning by shifting responsibility. Explore practical solutions to providing an AFL framework and environment for successful independent learning and peer coaching. Creating clear shared learning journeys. (Practical)
- **Workshop 2 - Including, Challenging and Supporting all pupils** through an holistic approach to PE.
- **Networking discussions and lunch. Sharing Outstanding Practice.**
- **Workshop 3 - Translating the Message.** How to best tell and sell what our subject can and does achieve to Senior Management, Governors, Parents and the Wider Community?
