Olympic Gymnastics Coach to transform the sport

I N V I T A T I O N

Three years after the excitement of the 2012 Olympics, Olympic Rhythmic Gymnastics Coach, Sarah Moon had the opportunity to work with **Create Development** to create **real gym** and give ALL children the opportunity to develop gymnastics skills in a fun, inclusive and holistic way.

Gymnastics skills are a great foundation for other sports and life and by supporting teachers to deliver inspiring gymnastics lessons all children can benefit.

You are invited to the official real gym launch to:

- see real gym in action
- hear how real gym can transform how gymnastics is taught in primary schools.
